CONEXUS announce One-Stop Shop for Enterprise

CONEXUS Mobile Alliance (CONEXUS), one of Asia's biggest mobile alliances, is pleased to announce its one-stop shop service for Enterprise mobile customers with effect from 7 Jan 2019

CONEXUS' Mobile One-Stop Shop initiative enhances Enterprise customers' ability to procure and manage their regional mobility needs effectively across the countries in which CONEXUS members have presence.

By working with CONEXUS, Enterprise customers would be able to reap the following benefits:

- A single point of contact for your mobile communications needs in the region
- A clear view of your mobile communications estate across multiple countries in the region
- A local point of contact in for each of the countries that you operate in
- Local in-country expertise and billing capabilities
- Total cost of ownership savings arising from a consolidated bid across multiple countries

The offering is currently extended to the following countries, and will be expanded over time:

Hong Kong, Indonesia, Japan, Singapore, South Korea, Taiwan, Thailand, Vietnam

The CONEXUS Mobile Alliance will be adding further services over time, such as Telecoms Expense Management and central asset management and ordering services.

For further enquiries, please email us at sales@CONEXUSmobile.com or contact your local in-country account manager from any CONEXUS Alliance member organization.

About CONEXUS

The alliance is formed to primarily develop and enhance international roaming and corporate mobile services for greater convenience and ease of use for its members' customers. The alliance boasts a combined customer base of about 321 million mobile subscribers in members' markets. The alliance is committed to promoting voice, video and data roaming via its members' GSM, W-CDMA, LTE and IoT networks.
